

Processing of Personal Data - SUBMISSION OF ABSTRACT/PAPER

Faculty of Economics University of Ljubljana (EF UL) in accordance with the applicable legislation on protection of personal data (Personal Data Protection Act of the Republic of Slovenia, No. 94/07, hereinafter ZVOP-1 and the General Data Protection Regulation (EU) 2016/679, hereinafter referred to as GDPR), will process personal data as derived from the application form for the purpose of submitting abstract, extended abstract, and/or full length paper for the purposes of reviewing process of submitted papers for the *16th IAEE European Conference*.

Given the consent, EF UL will forward personal information (first name, last name, title, gender, affiliate, street and number, ZIP code, city, country, phone, e-mail address, and abstract and/or paper), for the purposes stated above, to the IAEE. By submitting an abstract/paper, authors also agree to the terms of Conference Online Proceedings & Copyright Agreement.

The given consent may be revoked at any time before and during the conference by a written notice to EF UL (iaee2019ljubljana@oyco.eu).

EF UL ensures that data collected on this basis is used only for the afore-mentioned purposes and can't be transferred to other third parties, as defined in this consent, without the written consent. The legal basis for the processing of personal data in the public sector is regulated by the Article 9 of the ZVPO-1 Law which provides that personal data in the public sector without legal basis can be processed only on the basis of the personal consent of the individual. The consent in question and the processing of personal data itself is also justified on the basis of the provisions of the General Data Protection Regulation (GDPR).

By submitting an abstract/paper, author declares that he/she has read and understood the terms of this consent and fully agrees with them.

Processing of Personal Data – REGISTRATION/PARTICIPANTS

Faculty of Economics University of Ljubljana (EF UL) in accordance with the applicable legislation on protection of personal data (Personal Data Protection Act of the Republic of Slovenia, No. 94/07, hereinafter ZVOP-1 and the General Data Protection Regulation (EU) 2016/679, hereinafter referred to as GDPR), will process personal data as derived from the registration form for the purpose of conference registration through IAEE membership application and planning/organizing the 16th IAEE European Conference (hereinafter Conference), maintaining registration to the Conference (reservation/confirmation), all possible notifications about the Conference, preparation of registration list of participants (which includes name, surname and company of participant) for the future IAEE conference organizers and possible information on the relevant conferences, and on-site registration purposes.

For the participants that are not members of IAEE, their personal information will be also processed for the purpose of creating an IAEE membership.

Given the consent, EF UL will forward personal information (first name, last name, title, gender, company, street and street number, ZIP code, city, country, phone number, and e-mail address), for the purposes stated above, to the IAEE.

By the act of registering and attending this IAEE conference, participants agree that IAEE shall acquire the right to use their name, photography, video recording, and/or audio recording in reporting on the conference and conference-related events in their publications or website, publicly for future conferences, or in other reasonable manners for the benefit of the IAEE. The Organizer may use and release pictures and shots taken of the participants and/or their works (such as posters, parts of presentations) during the Conference for reports of the Conference and announcement of events in the future free of charge and without the further consent of the participants.

EF UL ensures that data collected on this basis is used only for the abovementioned purposes and can't be transferred to other third parties, as defined in this consent, without the written consent. The legal basis for the processing of personal data in the public sector is regulated by Article 9 of the ZVPO-1 Law which provides that personal data in the public sector without legal basis can be processed only on the basis of the personal consent of the individual. The consent in question and the processing of personal data itself is also justified on the basis of the provisions of the General Data Protection Regulation (GDPR).

By registering to the conference participants declare that they have read and understood the terms of this consent and fully agree with them.
